The Sage Educational Partner Program is designed to give students real-life experience by using the most progressive business software tools available. After attending courses taught with Sage software, graduates will enter the workforce equipped with job-ready skills used by thousands of businesses.

We invite colleges, universities, technical schools, and professors to enroll in this program to give their students hands-on experience with software that businesses rely on every day. Participating educators and their students receive free software licenses and access to related online courses on Sage University.

Participating products:

Sage 50 Accounting—Canadian Edition
(formerly Sage Simply Accounting)

Sage 50 Accounting—U.S. Edition
(formerly Sage Peachtree)

Sage 100 Contractor (formerly Sage Master Builder)

Sage 300 ERP (formerly Sage ERP Accpac 100)

Sage Estimating (formerly Sage Timberline Estimating)

Sage One
