2. LICENSE GRANT AND RESTRICTIONS

2.1 License Grant. Sage grants you a limited, non-exclusive, non-transferable, non-sublicensable license of the scope described in this Agreement to Use the Software only upon the following conditions:

2.1.1 You or someone acting on your behalf and at your direction, such as your Reseller, has or will:

2.1.1.1 Place an order with Sage for either an initial license or an upgrade (such as for more users, additional modules, etc.) and Sage has accepted such order; and

2.1.1.2 Accepted all of the terms and conditions of this Agreement either before or during installation of the Program.

2.1.2 **If you purchase a Subscription License**, you may Use the Software only for the license term or subscription period for which Sage has received your Subscription License fee. Your license term or subscription period will normally be stated on your invoice but may be communicated to you in another way.

2.1.3 **If you purchase a Perpetual License**, you may Use the Software only if you pay the required Perpetual License fees when due. Where you have purchased a Perpetual License, this will normally be stated on your invoice but may be communicated to you in another way.

2.1.4 You may Use the Software to process the data of an Affiliate only if:

2.1.4.1 Your aggregate Use of the Software is limited to a single dataset unless you have paid the relevant fees for your Affiliates to access and Use the Software in which case your Affiliates may access and Use the Software in accordance with terms of this Agreement;

2.1.4.2 You understand and agree that where any Affiliate accesses and Uses the Software, any act or omission your Affiliates shall be deemed to be your act or omission and that you shall have in place appropriate measures including, but not limited to, organizational and technical measures to ensure that your Affiliates are aware of and comply with the terms of this Agreement as if they were a party to it. If you become aware of any breach of the terms of this Agreement by your Affiliates, you must notify Sage immediately in writing of the breach and you must, at your own cost, take any corrective action as directed by Sage;

2.1.4.3 You maintain an accurate list of Affiliates on file with Sage; and

2.1.4.4 You promptly notify Sage if any company is no longer an Affiliate, in which case such Affiliate shall automatically lose any rights of Use relating to the Software.

2.1.5 Subject always to Sage's prior written consent, you may from time to time retain third parties to provide information technology services to you and on your behalf (eg. a managed or outsourced provider) in connection with the Sage Software. If such a third party needs to install the Software in order to provide information technology services to you, then (a) that third party can install your copy of the Software so long as you do not install it as well, (b) the third party must not Use the Software or allow anyone else to Use it; and (c) you must enter into a written agreement with that third party which does not increase or otherwise adversely affect Sages' obligations, liabilities, costs or other burdens in respect of this Agreement and must include those provisions which are necessary in order to protect Sage and its licensors' interests and the relevant license granted to you under this Agreement including, but not limited to, Sage and its licensors' intellectual property rights relating to the Software and any modifications or changes to it. If you become aware of any breach of the provisions this Agreement or your own agreement with the third party, you must notify Sage immediately in writing of the breach and you must, at your own cost, take any corrective action as directed by Sage. You remain responsible to Sage for your and the third parties' compliance with this Agreement. You should be aware that Sage

(Last Updated: April 2018)

has not tested the Software for Use other than directly by you in accordance with the Documentation.

- 2.1.6** You may permit a Reseller to provide you with access to the Software using Cloud Solution Services but prior to Using the Software in this way you are responsible for checking to ensure that the Reseller has the necessary accreditations and authorizations from Sage (as well as from any other relevant third party) before it can provide such Cloud Solution Services to you. If you access and Use the Software using Cloud Solution Services you are responsible for maintaining your own access to the Internet so that your users can access the Software. You also understand and agree that due to the nature of Using the Software in this way, there may be times when your users are unable to access and Use the Software (for example due to maintenance or circumstances beyond Sage's control). If you obtain Cloud Solution Services from your Reseller, your Reseller (and not Sage) is fully responsible and liable for the provision of any Cloud Solution Services to you including, without limitation, your access (or inability to access) the Software together with any other related services that it provides to you. If you obtain Cloud Solution Services from your Reseller, you must enter into a written agreement for the Cloud Solution Services which does not increase or otherwise adversely affect Sages' obligations, liabilities, costs or other burdens in respect of this Agreement. If there is any conflict between this Agreement and the agreement you have for the Cloud Solution Services with your Reseller, then the provisions of the separate agreement will apply in relation to the Cloud Solution Services (and any other services provided to you by the Reseller) but you will still remain responsible and liable to Sage for your compliance with this Agreement.
- 2.1.7** You must Use the Software in connection with the Environment and the Environment must be in full working order with a full operating system. The Environment must be selected from Sage's published list of supported designated Environments, as amended by Sage from time to time. The Software may be transferred from the Environment to a replacement Environment and, if it is transferred, the Software must be irretrievably deleted from the replaced Environment.

2.2 Limits of License. The license contained in this Agreement does not include the right to perform, and you shall not perform or allow any third party to perform, any of the following:

- 2.2.1** Except as expressly set forth in **Section 1.27.4 above**, make any copy of the Software.
- 2.2.2** Except as expressly set out in **Sections 2.1.5 and 2.1.6 above**, rent, lease, loan, lend, sell, reuse, distribute, license, sublicense, market or commercialize any part of the Software or Use the Software as part of a facility management, timesharing, or service bureau arrangement or for software or application development.
- 2.2.3** Use the Software for personal, family, household, or other non-business purposes.
- 2.2.4** Other than to the extent permitted by applicable law or with Sage's prior written consent, alter, modify, merge, translate, adapt, decompile, disassemble, reverse-engineer or create any derivative work based upon the Software, either in whole or in part.
- 2.2.5** Remove, change or obscure any copyright or trademark notices in the Software.
- 2.2.6** Share or disclose with any third party any license keys, passwords or system IDs provided to you by either Sage or your Reseller for the Program.
- 2.2.7** You must not Use or copy (irrespective of the extent of copying) the whole or any part of the graphic user interface, operating logic or underlying database structure and database fields of the Program for incorporation into or the development of any software or other product or technology.
- 2.2.8** Use or try to Use the Software in a way which Sage has not specifically allowed. For example you must not try to make the Software work in a particular way if it does not usually work in that way.
- 2.2.9** Use the Software in excess of (i) the limitations set forth in this Agreement, and (ii) the number and types of users, seats or licenses for which you have purchased a license. If you have either a Perpetual License or a Subscription License, the maximum number of users, the types of user, Software components or modules and your license term or subscription period (where relevant) are normally specified on your invoice or order form but may be communicated to you in another way. Use of the Software in excess of the number and type of licenses you purchased (or which you may have downgraded to) constitutes a material breach of this Agreement and (a) you agree to pay to Sage the additional license or

Enterprise Management End User License Agreement

(Last Updated: April 2018)

subscription fees due for the unpaid use calculated in accordance with the applicable Sage retail price list in effect at the time payment is made; and (b) failure to make the foregoing payment within 30 days of Sage's invoice date is also a material breach of this Agreement and results in the automatic termination of this Agreement without notice.

2.3 Additional Restrictions.

- 2.3.1 Any report-writing software contained within the Program may be subject to a restriction such that its use may be limited to accessing only the data that is created by, or used by, the Program.
- 2.3.2 You may not Use, export, re-export or otherwise transfer the Software in violation of any domestic or foreign laws or regulations in effect from time to time in the jurisdiction in which you are a resident or in which the Software is Used. You represent and warrant that you are not located in, under the control of, or a national or resident of, any restricted country or of any entity or person designated as restricted.
- 2.3.3 Any right to Use, transmit, reproduce, distribute, download, or exploit the Program not expressly licensed to you in this Agreement is strictly prohibited. All rights not expressly set out in this Agreement are reserved by Sage.
- 2.3.4 Where any functionality of the Software is provided by a Sage Group plc entity using Cloud Solution Services you agree not to - and will not facilitate or aid a third party - to Use that functionality to:
 - 2.3.4.1 provide Sage with fraudulent information;
 - 2.3.4.2 send spam or other unsolicited or duplicative messages in violation of applicable laws;
 - 2.3.4.3 store, distribute or transmit material that is (i) obscene, threatening, libelous or otherwise unlawful or tortious (including material harmful to children or in violation of third party privacy or intellectual property rights), or (ii) contains viruses or other harmful or malicious code that may compromise the security or functionality of any website, program, process, business or data;
 - 2.3.4.4 use any tool, process, or method to (i) collect or detect email addresses, financial information, or other information from Sage or other Sage customers; or (ii) attempt to gain unauthorized access to the Software, other accounts, computer systems or networks connected to or supporting the Software through hacking, password mining or by any other means;
 - 2.3.4.5 post, upload, use framing techniques to use or otherwise distribute copyrighted material without the consent of the copyright holder;
 - 2.3.4.6 Use the Software in any way that threatens the integrity, performance or reliability of the Cloud Solution Services infrastructure (including performance or stress testing), or in any manner that works around any technical limitations in either the whole or any part of the Software; or
 - 2.3.4.7 make or attempt to make a local non-cache copy of any part of the Software.

You will comply with all policies and other instructions that Sage informs you about in relation to your Use of the Cloud Solution Services.

- 2.3.5 Where any functionality of the Software is provided by a Sage Group plc entity using Cloud Solution Services:
 - 2.3.5.1 Sage will use reasonable commercial efforts to ensure that the relevant functionality will be accessible to connection from the Internet, however, you understand that the functionality may be interrupted by routine maintenance. Sage will use its commercially reasonable efforts to minimize such interruption and to schedule such maintenance at non-peak hours;
 - 2.3.5.2 you acknowledge and agree that it is subject to limitations, security vulnerabilities, delays and other problems inherent to the operation of the Internet and other electronic communications and that Sage and/or its licensors will not be liable or responsible to you for any such delays, interruptions, security problems, delivery failures or other damage resulting from such problems;

Enterprise Management End User License Agreement

(Last Updated: April 2018)

2.3.5.3 Sage may suspend access to the Cloud Solution Services without telling you and without liability, but wherever practicable Sage will give you reasonable prior notice:

2.3.5.3.1 if there is an attack on the servers of Sage's hosting provider or other event for which Sage reasonably believes the suspension of the Cloud Solution Services is necessary to protect you, other Sage customers, Sage or our third party hosting provider;

2.3.5.3.2 if required by law or regulation or as compelled by a law enforcement or government authority.

2.3.6 You will be responsible for providing and maintaining your own compatible equipment, software and communications lines which are required to connect you to the Internet and access the Cloud Solution Services and for your compliance with any third party license terms or other third party agreements in relation to your use of your equipment, software and communications lines.

2.3.7 Sage reserves the right to introduce any substitute or replacement Software which substantially fulfills the same functions as the Software which it substitutes or replaces.

2.3.8 You acknowledge that certain components within the Program may enable or assist you to access the website content of, correspond with, and purchase products and services from third parties via third-party websites and that if you make such purchases you do so solely at your own risk. Sage makes no representation, warranty or commitment and shall have no liability or obligation whatsoever in relation to the content or use of, or correspondence with, any such third-party website, or any transactions completed and any contract entered into by you with any such third party. Any contract entered into and any transaction completed via any third-party website is between you and the relevant third party and not Sage. Sage recommends that you refer to the third party's website terms and conditions and privacy policy prior to using the relevant third-party website. Sage does not endorse or approve any third-party website nor the content of any of the third-party website made available via the Program.

3. INTELLECTUAL PROPERTY RIGHTS. The copyright and all other intellectual property rights of whatever nature in the Software and any modifications or changes to it and all patents, trademarks and copyrights relating to it are and shall always remain the property of Sage and/or its licensors, and any rights in any other work prepared or carried out by Sage and/or its licensors shall vest in Sage and/or its licensors, as the case may be, on creation of it. You shall notify Sage immediately if you become aware of any unauthorized Use of the Software in whole or in part by any third party.

4. CONFIDENTIALITY. You acknowledge that the Software contains intellectual property rights and know-how, system design and proprietary information which is the exclusive and valuable property of Sage or its Affiliates ("**Confidential Information**"). You will not, without the prior written consent of Sage, disclose the Confidential Information to any third party. You will take reasonable and customary precautions to prevent disclosure of such Confidential Information to any such third party. You shall be permitted to disclose aspects of the Software to your personnel only to the extent necessary and to those personnel having a legitimate need to know. You are responsible for ensuring that your personnel are made aware, prior to disclosure of any Confidential Information to them, that all Confidential Information is the confidential and proprietary material of Sage or its Affiliates, and that such personnel owe a duty of confidence to Sage. This section shall not apply to Confidential Information if you can demonstrate that: (a) it was in the public domain at the time of Sage's communication thereof to you or it subsequently entered the public domain through no fault of yours; (b) it was in your possession free of any obligation of confidence at the time of Sage's communication of it to you, or it was subsequently rightfully communicated to you free of any obligation of confidentiality; or (c) it has been communicated by Sage to a third party free of any obligation of confidence; or (d) as compelled by relevant law. The obligations contained in this section shall survive any termination of this Agreement, howsoever caused.

5. LIMITED WARRANTIES AND DISCLAIMERS

5.1 Software. Subject to **Sections 5.2 and 5.4 below**, Sage warrants that, during the 90 day period (the "**Software Warranty Period**") that commences on the Commencement Date, the Program, when properly Used, shall perform substantially in accordance with the Documentation. Warranty Period any nonconformity between the Documentation and the Program (a **“Warranty Claim”**), and if Sage is able to replicate and verify that such nonconformity exists, Sage shall make commercially reasonable efforts to correct such nonconformity and, if successful, shall supply you with such correction at no additional cost to you. If such efforts are unsuccessful and the nonconformity is material, your sole remedy for a breach of the warranty described in this section, shall be as follows:

5.1.1 If you acquire a Perpetual License then (a) except for Maintenance Software, you may terminate this Agreement, discontinue Use of and return all copies you have of the Software, and Sage will ensure that you receive a refund of the license fee you paid for the Software Warranty Period; and (b) for Maintenance Software, you may terminate your maintenance and support, discontinue Use of and return all copies you have of the Maintenance Software to Sage, and Sage will ensure that you receive a refund of or credit for the fee you paid for the purchase of the terminated maintenance and support plan.

5.1.2 If you acquire a Subscription License, you may terminate this Agreement, discontinue Use of and return all copies you have of the Software to Sage, and Sage will ensure that you receive a refund of the Subscription License fees you paid for the Software Warranty Period.

5.2 Sage does not warrant or make any representation:

5.2.1 That the Software will meet your requirements;

5.2.2 That you will be able to Use the Software in a particular way;

5.2.3 That the operation of the Software will be uninterrupted or error free; or

5.2.4 Regarding the Use of and/or output from the Software or the results of such Use in terms of content, correctness, accuracy, reliability or otherwise.

5.3 Customer Support. Sage warrants that provided you have paid all required maintenance and support fees and where Sage provides Customer Support directly to you, Sage will use qualified personnel to provide Customer Support in a professional manner consistent with industry standards. Your sole remedy under this subsection is limited to Sage’s re-performance of the Customer Support services giving rise to your claim. You may request that Sage performs additional consultancy, implementation or other services, which Sage may at its discretion agree to do, subject to and on the terms of a separate services agreement.

5.4 DISCLAIMERS. OTHER THAN THE EXPRESS, LIMITED WARRANTIES STATED IN THIS **SECTION 5**, SAGE, ITS LICENSORS AND ITS SUPPLIERS EXPRESSLY DISCLAIM TO THE FULLEST EXTENT PERMITTED BY LAW ALL OTHER REPRESENTATIONS, WARRANTIES, CONDITIONS AND GUARANTEES OF ANY KIND OR NATURE WHATSOEVER, WHETHER EXPRESS, IMPLIED, STATUTORY OR OTHERWISE, INCLUDING BUT NOT LIMITED TO ANY WARRANTIES, CONDITIONS, OR GUARANTEES (I) OF MERCHANTABILITY, (II) SATISFACTORY QUALITY, (III) OF FITNESS FOR A PARTICULAR PURPOSE, (IV) OF NON-INFRINGEMENT OF PROPRIETARY OR INTELLECTUAL PROPERTY RIGHTS OF ANY THIRD PARTY, AND (V) ARISING FROM CUSTOM OR TRADE USAGE OR BY ANY COURSE OF DEALING OR COURSE OF PERFORMANCE. YOU UNDERSTAND AND AGREE THAT: (1) THE UTILITY OF A BUSINESS MANAGEMENT COMPUTER PROGRAM DECREASES AS TECHNOLOGY EVOLVES AND THE BUSINESS ENVIRONMENT CHANGES, (2) YOU ARE FREE TO DECIDE, AND ARE RESPONSIBLE FOR DECIDING, WHEN TO UPGRADE YOUR SOFTWARE, AND (3) SAGE DISCLAIMS ANY RESPONSIBILITY TO DELIVER LATER-RELEASED SOFTWARE OR OTHERWISE RENDER ANY CUSTOMER SUPPORT SERVICES NOT INCLUDED IN MAINTENANCE AND SUPPORT THAT YOU HAVE NOT PAID FOR IN FULL.

5.5 Other Limitations. Sage will have no responsibility under these limited warranties for any Software that has been modified, lost, stolen, or damaged by accident, abuse, or misapplication. No employee, agent, or representative of Sage, nor any reseller (including your Reseller) or any other third party, is authorized to make any warranty with respect to the Software, except those expressly stated in this Agreement, and you may not rely on any such unauthorized warranty. You acknowledge and agree that you have chosen your Reseller and that such Reseller is an independent party and not an agent of Sage.

6. EXCLUSIONS OF AND LIMITATION OF LIABILITY

6.1 Nothing in this Agreement excludes Sage's liability for:

- 6.1.1 Death or personal injury caused by Sage's negligence;
- 6.1.2 Fraud or fraudulent misrepresentation; or
- 6.1.3 Any other matter Sage cannot limit or exclude by applicable law.

6.2 You acknowledge and understand that software is inherently complex and may not be free from errors and that you have been advised to verify the work produced by the Program. Neither Sage, its licensors nor its suppliers shall be liable to you whether in tort (including negligence or breach of statutory duty), delict, contract, misrepresentation, restitution or otherwise (even if Sage knew or should have known there was a possibility you could suffer or incur such loss or damages) for:

- 6.2.1 Any special, indirect, incidental, consequential, or punitive damages resulting from any defect in the Software;
- 6.2.2 Any loss of time, loss of or corruption to data, loss of anticipated profits, lost opportunity cost, loss of use of the Software, depletion of goodwill, or similar losses however caused; or
- 6.2.3 Any damages or costs incurred in connection with obtaining substitute software, receiving support services, claims made against you by others, or similar costs.

6.3 IN NO EVENT SHALL SAGE'S LIABILITY TO YOU ARISING OUT OF OR IN CONNECTION WITH THE SOFTWARE, MAINTENANCE AND SUPPORT, OR THIS AGREEMENT, WHETHER IN CONTRACT, TORT, DELICT OR OTHERWISE, EXCEED:

- 6.3.1 IF YOU HAVE PAID FOR A PERPETUAL LICENSE, THE FEE ACTUALLY PAID BY YOU TO PURCHASE THE PERPETUAL LICENSE; OR
- 6.3.2 IF YOU HAVE PAID FOR A SUBSCRIPTION LICENSE, THE FEES ACTUALLY PAID BY YOU FOR THE SUBSCRIPTION LICENSE IN THE 12 MONTHS IMMEDIATELY PRECEDING YOUR CLAIM OR ANY SHORTER PERIOD IF THIS AGREEMENT TERMINATES FOR ANY REASON PRIOR TO THE END OF THE FIRST 12 MONTHS.

You acknowledge and agree that this Agreement allocates risk between you and Sage as authorized by applicable law, and that the pricing of Sage products reflects this allocation of risk and the exclusions and limitations of liability contained in this Agreement. If any remedy hereunder is determined to have failed of its essential purpose, all other limitations of liability and exclusion of damages set forth in this Agreement shall remain in full force and effect.

6.4 You acknowledge that unless you and Sage agree in writing for Sage to provide software implementation services to implement the Program at your place of business, you are responsible for engaging a qualified party to provide implementation services for you on terms you negotiate. You also acknowledge that Sage does not endorse any reseller (including your Reseller) or other service provider and you are responsible for independently investigating the skills and qualifications of such party to ensure that they provide you with the level of skill and service your business requires. You agree that Sage shall have no liability whatsoever for any failure associated with such implementation services, even if the party you engage is a Reseller, consultant, or installer of Sage products.

6.5 In the event that you wish to bring a claim or other civil proceeding arising out of or in connection with this Agreement, you represent and warrant to Sage that the involvement of you and any of your Affiliates in such a claim or proceeding shall not give rise to any increase in or multiplication of any cap placed on Sage's liability.

7. INDEMNIFICATION

7.1 If you receive notice of any claim that your use of any part of the Software infringes any third party's intellectual property right in a patent, copyright, or trade secret (an "**Indemnity Claim**"), Sage shall defend and shall indemnify and hold you harmless by paying any resulting costs and damages finally awarded by a court of competent jurisdiction with respect to any such Indemnity Claim provided that you:

7.1.2 At Sage's request and expense, give Sage such information and assistance as is reasonable under the circumstances; and

7.1.3 Do not independently defend or respond to any claim or threatened claim and give Sage the right to settle the Indemnity Claim in Sage's sole discretion and at Sage's expense.

7.2 This indemnification does not extend to any Indemnity Claim:

7.2.4 If in relation to an Indemnity Claim you do not comply with **Section 7.1 above**.

7.3 If you are prevented from Using the Software because of an actual or threatened infringement, then at Sage's option, Sage shall promptly either:

7.4 If having used all reasonable commercial efforts Sage cannot achieve either of the circumstances in **Sections 7.3.1 or 7.3.2 above**, you may terminate this Agreement, and Sage shall ensure that:

7.4.1 If you acquired a Perpetual License you receive a refund or credit for (i) the maintenance and support fees you incurred to purchase or renew your maintenance and support for the then-current term, and (ii) a pro rata portion of the Perpetual License fees you incurred for the purchase of your initial Perpetual License and all upgrades, which pro rata portion will be determined on the basis of the remaining period of a useful life of 5 years, where the five-year useful life begins on the date you purchase your initial license.

7.4.2 If you acquired a Subscription License, you receive a refund of or credit for any prepaid but unused portion of the Subscription License fees paid by you for the Software.

7.5 **THIS SECTION 7 SETS OUT SAGE'S ENTIRE FINANCIAL LIABILITY FOR ANY INDEMNITY CLAIM.**

8. MAINTENANCE AND CUSTOMER SUPPORT

8.1 If you purchased Maintenance Software and/or Customer Support directly from Sage, information about such Maintenance Software and Customer Support will be provided to you by the Sage Group plc entity with which you contracted for the Software (and which may be either in printed or electronic form including by reference to any customer services handbooks, support guides and any URL which Sage may notify to you from time to time). If you acquired a Subscription License that includes support, your license will also include Maintenance Software and Customer Support.

Enterprise Management End User License Agreement (Last Updated: April 2018)

- 8.2** If the Sage Group plc entity with which you contracted for the Software allowed you to purchase Maintenance Software and/or Customer Support from a Reseller, such Maintenance Software and/or Customer Support will be provided to you in accordance with the Reseller's own documentation and instructions and the provisions of **Section 8.1 above** will not apply to you. If you acquired a Subscription License that includes support, Sage will provide Maintenance Software and Customer Support to your Reseller and the Reseller will provide the same to you in accordance with the provisions of this **Section 8.2**.
- 8.3** If you acquired a Perpetual License you may be required to pay for Maintenance Software and Customer Support during the first year of your license. Information about the provisions of such Maintenance Software and Customer Support will be provided to you by the Sage Group plc entity with which you contracted for the Maintenance Software and Customer Support (and which may be either in printed or electronic form including by reference to any customer services handbooks, support guides and any URL which Sage may notify to you from time to time), If the Sage Group plc entity with which you contracted for the Software allowed you to purchase Maintenance Software and Customer Support from a Reseller, such Maintenance Software and Customer Support will be provided to you in accordance with the Reseller's own documentation and instructions.

9. FEES AND PAYMENTS

- 9.1** Sage may increase its license and other fees at any time without notice so fees due for new or additional Software license or subscription purchases may be more than a previous purchase.
- 9.2** You must pay the relevant fees and any other charges arising under this Agreement as stated on Sage's invoice or order form and within 30 days of the date on the invoice or order form, or as otherwise agreed with Sage. All invoices or order forms to you and payments from you to Sage will be in the currency specified on your invoice or order form. Fees quoted do not include applicable sales taxes but all applicable taxes will be included in the amount Sage charges you.
- 9.3** Fees may include late payment fees or penalties incurred because your financial institution fails to honor a check or electronic charge, direct debit or transfer. Late payments will accrue interest at the highest rate permitted by the law of the Sage Group plc entity with which you contracted for the Software or as otherwise agreed with your local Sage entity.
- 9.4** You are obligated to pay all fees irrespective of whether you receive an invoice. If you purchased your Perpetual License or your Subscription License (as the case may be) from a Reseller, the Reseller may be responsible for paying all fees to Sage on your behalf (if the Sage Group plc entity with which you contracted for the Software permits this). If Sage has not received payment of the applicable fees either from you or from your Reseller (as the case may be) or if Sage has received notification from your Reseller of your non-payment of the same, then without prejudice to Sage's other rights and obligations Sage may suspend or terminate either your Perpetual License or your Subscription License (as the case may be).

- 9.5** If at any time during your Perpetual License or Subscription License (as the case may be) you want to increase the number of your users which can access the Program or to access additional components or modules in the Program, you must pay Sage's applicable fees.
- 9.5.1** If you have a Subscription License:
- 9.5.1.1** the additional fees payable will be pro-rated from the date such additional users are added to your license and/or the date access to the additional Program components or modules is made available to you until the commencement of your next renewal date for your Subscription License; and
 - 9.5.1.2** any decrease in the number of users or reduction in access to additional Program components or modules will be made from the next renewal date of your Subscription License.
- 9.5.2** If you have a Perpetual License:
- 9.5.2.1** the additional fees will be payable from the date such additional users are added to your license and/or the date access to the additional Program components or modules is made available to you; and
 - 9.5.2.2** there will be no refund or credit of the license fees which you have previously paid and any decrease in the fees payable for Maintenance Software and/or Customer Support will be reflected in your next invoice for renewal of Maintenance Software and/or Customer Support.
- 9.6** If you purchased a Perpetual License, then unless you agreed otherwise with the Sage Group plc entity from which you purchased your Maintenance Software and Customer Support, payment is required in advance for the full length of your Initial Support Term and each subsequent Support Renewal Term (as described in **Section 10.1.2.1**) and is non-cancellable and non-refundable.

Sage will use its reasonable endeavours to give you (or your Reseller if you purchased the Subscription License from a Reseller) 60 days' written notice prior to your next renewal date of any price increase (unless the Sage Group plc entity from which you purchased your Subscription License has agreed to give you a different number of days written notice of any price increase). If you continue to Use the Software after the fee change takes effect, you will be deemed to (a) agree to the increase in the fees and (b) authorize Sage to collect the new fees amount using the agreed payment method.
- 9.8** You are responsible for providing Sage with your most current contact and billing information. If you purchased a Subscription License you agree that, so long as your license is active, Sage may automatically bill the same credit card or debit the same bank account you provided to Sage on the same periodic basis as previously agreed with you, unless subsequently agreed otherwise.
- 9.9** If the Sage Group plc entity with which you contracted for the Software allowed you to purchase the relevant license through a Reseller, then except for **Section 9.4**, the terms in that agreement in relation to payment of fees for a Perpetual License, a Subscription License, support, maintenance and any other services provided by the Reseller to you will prevail over the payment terms in this **Section 9**.

10. TERM AND TERMINATION

- 10.1** This Agreement is effective from the Commencement Date and continues until terminated in accordance with this section.

Enterprise Management End User License Agreement (Last Updated: April 2018)

10.1.1 If you acquire a Perpetual License you may terminate this Agreement at any time, at which point your license hereunder will terminate; if you do so, there will be no refund or credit or your license fees either in whole or in part. You shall be responsible for retrieving your data from the Software prior to this Agreement terminating and any failure by you to extract your data will not prevent this Agreement from terminating.

10.1.2 Subject to **Section 8.3**:

10.1.2.1 if you have purchased Maintenance Software and Customer Support directly from a Sage Group plc entity, the initial period for such Maintenance Software and Customer Support will be for one (1) year unless you are offered and select a shorter or a longer period in which case the shorter or longer term will be your initial period ("**Initial Support Term**"). Your Initial Support Term will automatically continue to renew thereafter for the same period of time (your "**Support Renewal Term**") unless a different term is agreed otherwise with the Sage Group plc entity from which you purchased your Maintenance Software and Customer Support. You may choose not to renew your Initial Support Term or subsequent Support Renewal Term (as the case may be) by providing at least 90 days' written notice of your non-renewal to the Sage Group plc entity from which you purchased your Maintenance Software and Customer Support (unless you agreed a different notice period with such Sage Group plc entity in which case such different notice period will apply) and your non-renewal notice will expire on the last day of your Initial Support Term or Support Renewal Term (as the case may be). If you terminate the provision of your Maintenance Software and Customer Support you will still have the right to continue to Use the Software in accordance with the terms of this Agreement, however, you understand and agree that you will not have the right to receive any further Maintenance Software and Customer Support;

10.1.2.2 if you have purchased Maintenance Software and Customer support from a Reseller, you may terminate your Reseller's provision of Maintenance Software and Customer Support in accordance with the terms of your agreement with your Reseller and, if you do so, you will still have the right to continue to Use the Software in accordance with the terms of this Agreement, however, you understand and agree that you will not have the right to receive any further Maintenance Software and Customer Support.

10.1.2 If you acquire a Subscription License:

10.1.2.1 The "**Initial Term**" will run for one (1) year unless you are offered and select a shorter or a longer period when you acquire your initial Subscription License; in such event, the shorter or longer subscription term will be your Initial Term. Your Initial Term will automatically continue to renew thereafter for the same subscription term (your "**Renewal Term**") unless a different license term or subscription period is agreed otherwise with Sage. Payment is required in advance for the full length of your Initial Term and each Renewal Term and is non-cancellable and non-refundable (except as described in **Subsections 5.1.2, 7.4.2 and 10.1.2.2**), even if you cancel or choose not to renew your Subscription License.

10.1.2.2 You may choose not to renew your Subscription License, or to reduce the number of your users, or to reduce your access to certain Program components or modules by providing your non-renewal or reduction request in writing to Sage. Your request must include your Sage customer number, your company name, a company contact name, a company phone number and/or email, and be received by Sage within the time period prescribed by the Sage Group plc entity with which you contracted for the Software in order for the request to take effect at the end of that term (the "**Termination Date**"). If no such time period was prescribed by the relevant Sage Group plc entity then the relevant notice period will be 90 days' written notice. If your non-renewal or reduction request is received with less than the required notice you will be required to pay the fees prescribed by the Sage Group plc entity with which you contracted

10.1.2.3 You shall be responsible for all Subscription License fees and processing fees that fall due before or after the Termination Date.

10.1.2.4 If this Agreement terminates for any reason, your data will remain your data and you are entitled to extract it before the end of this Agreement. However, your failure to extract your data will not prevent this Agreement from ending.

10.1.3 Notwithstanding the foregoing, this Agreement and the license granted to you will terminate automatically and without notice if:

10.1.3.1 You fail to pay any fees when due and Sage gives you 10 working days' written notice of such late payment and after 10 working days you still have not paid the amount due (unless the Sage Group plc entity from which you purchased the relevant license has agreed a different notice period within which you must pay your fees);

10.1.3.2 You fail to comply with any term of this Agreement and, if capable of remedy, do not rectify your non-compliance within 30 days of Sage's written notice requiring you to remedy your non-compliance. Where a breach is a material breach or a breach not capable of remedy, Sage may in its sole discretion terminate this Agreement on written to you with immediate effect; or

10.1.3.3 Sage is notified that any finance arrangement you may have made with a third party for the payment of any license fees has ended for any reason other than it being satisfied in full; or

10.2 Either party may terminate this Agreement in accordance with any other section which by its express provisions allows a party to terminate this Agreement.

10.3 Within 10 days after the termination or expiration of your Perpetual License or your Subscription License, or this Agreement, you shall uninstall the Software and certify in writing to Sage that you have done so.

10.4 Any provision in this Agreement which when reasonably read as intended to survive the termination of this Agreement shall survive, including without limitation, the disclaimer of warranties and limitations of liability.
