# Sage People Payroll

A Premium Payroll Solution for the  
U.S. Market

**Unified billing, simplified pricing**

To keep your headaches to a minimum, we have unified and simplified the billing experience. No more payroll processing fees, no more base fees and no more headaches, just one simple payroll fee based on how many employees you have. All billed through Sage People.

**Employee self-service and mobile app**

Increase employee satisfaction and minimize the administrative burden on HR with self-service on any device. Equip employees and managers with anytime, anywhere access to their payroll, and more so they can act at their convenience with the most downloaded free business app.

Sage

# Customer success

With Sage People Payroll your premium experience begins with us. From the moment you decide to join you'll find the unmatched customer service and support of the Sage People Team who will help guide you every step of the way, from implementation to processing your first payroll.

With the help of our Sage People Customer Success Team and a Dedicated ADP Payroll Account Manager, we will ensure that you process payroll like you never have before: efficiently, smoothly and with less errors.

## **Web-based payroll solution**

Innovative and web-based solution designed to combine the convenience of Sage People Payroll processing with the power and speed of the internet.

## **Payment options**

Employees can choose between direct deposit, a convenient Pay Card or they can pick up their paychecks from your workplace. Paychecks delivered to your workplace would be ready for distribution—signed and inserted into individual envelopes—according to your specified schedule.

## **Year-end processing**

Sage People Payroll handles your company's year-end requirements, including direct reporting to the proper tax authorities and statements of deposits and filings made on your behalf.

## **Tax administration and filing**

Sage People Payroll prepares, files, and deposits federal, state,

and local taxes, while also issuing the required monthly reporting to relevant tax authorities. The software also responds to associated inquiries from any tax agency.

## **Wage garnishments processing**

Let Sage People Payroll address the complex calculations of court-ordered garnishments, levies and child support payments and make the necessary payments to appropriate agencies. inquiries from any tax agency.

## **Wage garnishments processing**

Let Sage People Payroll address the complex calculations of court-ordered garnishments, levies and child support payments and make the necessary payments to appropriate agencies.

## **General ledger**

Use our popular general ledger interface to create an import-ready file that brings all your payroll journal entries into your general ledger software package. Avoid manual journal entries and the expense of developing custom interfaces to connect your payroll and general ledger. Easily transmit the file to your Sage Intacct Accounting & ERP Software.

You'll automatically receive a file every payroll period that contains the expense information to be entered into your general accounting program.

## Payroll reports

Use Sage People Payroll to print reports or export them to Microsoft Excel® so you can analyze and verify data entry hours and earnings before you submit your payroll, analyze ongoing payroll totals, employee deductions, personnel changes, and quarterly tax reports. Use a combination of standard and user-defined reports to meet all of your payroll and tax needs.
