

Sage End User License Agreement

This Agreement governs the use of the Software set forth in Customer's Order Form and any Service Plan Customer elects to purchase with respect to that Software.

BY DOING ONE OR MORE OF THE FOLLOWING (OR ALLOWING OR AUTHORIZING A THIRD PARTY TO DO SO ON CUSTOMER'S BEHALF), CUSTOMER SHALL BE DEEMED TO HAVE ACCEPTED AND ENTERED INTO THIS AGREEMENT WITH SAGE AND ANY ADDITIONAL TERMS AND CONDITIONS REQUIRED BY THIRD-PARTY PROVIDERS BY: (1) CLICKING "AGREE," "OK", OR A SIMILAR AFFIRMATION THAT APPEARS DURING ACTIVATION OF THE SOFTWARE OR PRIOR TO THE USE OF THE SOFTWARE, (2) SIGNING THIS AGREEMENT, OR (3) USING THE SOFTWARE. IF CUSTOMER DOES NOT AGREE TO BE LEGALLY BOUND BY THIS AGREEMENT OR ANY APPLICABLE TERMS AND CONDITIONS REQUIRED BY THIRD-PARTY PROVIDERS, EACH IN THEIR ENTIRETY AND WITHOUT MODIFICATION OR ADDITION, THEN CUSTOMER DOES NOT HAVE A LICENSE TO USE THE SOFTWARE.

BY ACCEPTING THIS AGREEMENT, CUSTOMER CONSENTS TO THE TRANSMISSION OF CERTAIN INFORMATION DURING ACTIVATION AND DURING ITS USE OF THE SOFTWARE TO SAGE PURSUANT TO THE SAGE PRIVACY NOTICE DESCRIBED IN SECTION 11.

1. Definitions

"Affiliate" means any entity that directly or indirectly controls, is controlled by, or is under common control with, the subject entity, where 'control' is the direct or indirect ownership or control of at least a majority of the voting rights in the entity, or otherwise the power to direct the management and policies of the entity. An entity is an Affiliate only so long as such control continues.

"AI Data" means, collectively, AI Input Data, AI-Generated Output, and any data derived from or containing the same.

"AI-Generated Output" means the content generated and returned to a User resulting from that User prompting or using an AI System in the context of, or embedded within, the Software.

"AI Input Data" means any data input into an AI System, by Customer or any User, including (without limitation) prompts, queries and instructions (in whatever medium or format), but excluding: (a) instructional prompts, contextual injections, system-level inputs, or other technical content provided by or on behalf of Sage; or (b) Sage-provided customization or fine-tuning data.

"AI Policy" means Sage's Acceptable AI Use Policy, and any other policy Sage publishes or otherwise makes available from time to time (including any amendments to it), containing requirements and restrictions applicable to the use of AI Systems by Customer and its Users.

"AI System" means any artificial intelligence technologies, systems, models, tools or functionality, including machine learning, deep learning, generative AI, and any autonomous, semi-autonomous or agentic AI functionality or capabilities.

"Customer Data" means the data, information, files, photos, documents or material provided, inputted, shared or submitted by Users, or otherwise on Customer's behalf, via the Software, which may include data (including personal data) relating to Users, Customer's customers, suppliers, employees or other third parties, and includes any AI Input Data.

"Intellectual Property Rights" means all intellectual property rights of any nature anywhere in the world whether registered or unregistered, including: patents, utility models, trade marks, service marks, trade names, domain names, goodwill, and the right to sue for passing off, and applications thereof; registered and unregistered design rights and applications for registered designs; copyright and related rights; database rights, rights in confidential information and know-how; and all other intellectual property rights and equivalent forms of protection subsisting now or in the future, in each case for the full term of such rights, including all renewals and extensions.

"Generative AI" means an AI System capable of generating content (such as text, code, images, videos and audio).

"Sage Data" means the information in an Order Form, data about the configuration and use of the Software, the Documentation, and other information provided to Customer via the Software or otherwise by Sage during performance under this Agreement, but excluding Customer Data and AI-Generated Outputs.

"Third-Party Provider" means any third party (other than Sage) that provides a Third-Party Service.

"Third-Party Service(s)" means any product (including but not limited to software of any kind, cloud services, or forms), tool (including integration or development tools), or service (including implementation, configuration, development or accounting), or any tool, product or service of a third party that is, employs or makes use of an AI System, provided to Customer under a separate agreement or terms and conditions or that is otherwise provided directly to Customer by a Third-Party Provider.

"User(s)" means a named human authorized by Customer to use the Software, for whom Customer has purchased a license or subscription, and who has been supplied with user credentials for the Software.

"Agreement" means this Sage End User License Agreement, the Supplemental License Terms, and all applicable Order Forms, each of which are incorporated herein by reference and made a part hereof.

“Customer” means the legal entity listed on the Order Form.

“Customer Support” means Software assistance that Customer receives by phone, email, chat, access to on-line information, or by similar means because Customer purchased a Service Plan.

“Documentation” means the Program specifications that are set forth in the Program help files and any release-related notes, guides, or manuals Sage publishes specific to the current version of the Program.

“Enabled Use” means that Sage has fulfilled the applicable software delivery process (enabling downloading of the Software, delivering activation codes for the Software, or otherwise), thereby enabling Customer to install and execute the Program.

“Maintenance Software” means Software that Sage delivers because Customer has purchased a Service Plan.

“Order Form” means any order form issued by Sage or an authorized reseller that describes the Software or Service Plan that Customer has elected to purchase and the corresponding fees for such purchase. Only order forms issued by Sage or an authorized reseller of Sage’s Software constitute “Order Forms” under this Agreement. Customer-issued order forms, purchase orders, or similar documents are not Order Forms and have no force or effect.

“Program” means the Sage application, in object code format, identified in the Order Form, as updated by any Maintenance Software.

“Sage” means (i) Sage Software, Inc., a Virginia corporation, if you are domiciled in the United States or any country other than Canada, and (ii) Sage Software Canada Ltd., an Alberta corporation, if you are domiciled in Canada.

“Service Plan” means a plan Customer purchases for the provision of Customer Support and/or Maintenance Software for a specified period.

“Software” means collectively, the Program, the Documentation, any Maintenance Software, and any part thereof, including any AI Systems that Sage makes available as part of the Software, but excluding all Third-Party Services.

“Supplemental License Terms” means the additional terms and conditions associated with the Software located at <https://www.sage.com/en-us/legal/eula/> (if you are contracting with Sage Software, Inc.) or <https://www.sage.com/en-ca/legal/eula/> (if you are contracting with Sage Software Canada Ltd.), as updated by Sage from time to time in its discretion.

2. License

2.1. Grant. Subject to the terms and conditions of this Agreement and Customer’s payment of all applicable fees, Sage grants to Customer and its Affiliates a limited, non-exclusive, non-sublicensable, non-transferable (except as expressly permitted herein) license to use the Software.

2.2. Perpetual or Subscription Licenses. If Customer purchases a perpetual license, as evidenced by Customer’s Order Form, then Customer shall have the right to use the Software for the term of this Agreement. If Customer purchases a license on a subscription basis, then Customer shall have the right to use the Software for the period stated in Customer’s Order Form.

2.3. AI Usage Policy. Any use of AI Systems by Customer or any User shall be in accordance with the AI Policy. Sage reserves the right to update the AI Policy from time to time in its sole discretion. Continued use of any AI System by Customer or any User following publication of an updated AI Policy shall constitute acceptance of the amended AI Policy. Customer shall ensure that all Users comply with the AI Policy and Customer shall be responsible for any breach of the AI Policy by any User.

3. Restrictions

3.1. General. Sage and its licensors reserve all rights (including all applicable rights under intellectual property laws) not expressly granted in this Agreement. Further, the license contained in this Agreement does not include the right to, and Customer shall not, do any of the following: (i) make any copy of the Software, except as expressly set forth in section 3.2; (ii) distribute any copy of the Software (whether by renting, leasing, lending, sublicensing, time-sharing, or otherwise); (iii) use the Software for personal, family, household, or other non-business purposes; (iv) alter, modify, translate, decompile, disassemble, or reverse-engineer the Software or create any derivative work thereof; (v) remove or obscure any copyright or trademark notices from the Software; or (vi) use the Software in excess of the limitations set forth in this Agreement or the number and types of users, seats, or licenses purchased.

3.2. Installations; Copies. Customer or its Affiliates may only install the Software (i) on a computer system that Customer or its Affiliates own or (ii) only on a computer system not owned by Customer or its Affiliates if Customer or its Affiliates will be the only party with access to the installed Software. Customer or its Affiliates may make only a reasonable number of backup copies of the Software solely for the purpose of business continuity and disaster recovery and for reinstalling the Software, if reinstallation becomes necessary. Customer or its Affiliates may make one copy of the Software for use in a testing environment solely for testing purposes.

3.3. U.S. Government Restricted Rights. The Software is provided with restricted rights. Use, duplication or disclosure by the U.S. government (including its agencies and instrumentalities) is subject to restrictions set forth in 48 CFR 52.227-19 or DFARS 252.227-7014, as applicable.

3.4. Report-Writing. Any report-writing software contained within the Software may be subject to a restriction such that its use may be limited to accessing only the data that is created by, or used by, the Software.

3.5. AI and Data Restrictions. Except as expressly authorized by Sage prior to each instance, Customer and its Users shall not: (i) share user credentials with any third party, third-party system or any AI System acting on Customer’s or any User’s behalf or at their

direction, without Sage's prior written authorization; (ii) access or interact with the Software, or permit any third party (including any Third-Party Provider) to access or interact with the Software, by means of any AI System or by means of any robot, bot, spider, crawler, script, screen-scraping, web-scraping or data-scraping tool or any other automated or manual data-extraction technique, in each case where such access, interaction or extraction is used to, or would reasonably be expected to, scrape, harvest, extract or otherwise obtain Customer Data, AI Data, Sage Data or any other data or content from the Software in a manner that results in, or creates a risk of, the leakage, exfiltration or unauthorized extraction of such data from the Software; or (iii) knowingly facilitate a third party or third-party technology in any of the foregoing activities. Other than as required by applicable law, Customer shall not, and shall ensure that any Third-Party Provider AI System shall not, transmit, export, copy, scrape, extract, harvest, or otherwise make available any Customer Data, AI Data, or Sage Data to: (a) any third-party environment that has not been authorized by Sage; or (b) any external artificial intelligence training, fine-tuning, or model development pipeline.

3.6. Open-Source Components. This section applies notwithstanding anything else to the contrary in this Agreement. Customer acknowledges that certain components of the Software provided to Customer in object or source code form are covered by open source or similar licenses (each component being an "OSS Component" and such license being an "OSS License"). Where the relevant OSS License requires it (and only to the extent required): (a) any additional rights, permissions, exclusions and/or disclaimers in that OSS License will apply to the corresponding OSS Component; (b) any terms (including any restriction, prohibition or exclusion) in this Agreement that are contrary to the terms of that OSS License shall not apply in relation to the corresponding OSS Component; and (c) Sage hereby makes any offer to provide source code or related materials or information required by the corresponding OSS License, and any request for source code or related information should be directed only to: globalproductops@sage.com. The warranty in section 5 and Sage's indemnification obligations in section 7 shall not apply in relation to any infringement to the extent caused or contributed to by an OSS Component, and Sage shall not be liable for any claim or liability to the extent it arises out of the use of such a component.

4. Fees and Payment

4.1. Fees. Customer shall pay to Sage or its authorized reseller the fees set forth on any Order Form that Customer has signed. Unless otherwise stated in such an Order Form, all fees are due upon receipt of Sage's invoice. Once Sage has Enabled Use of the Software, all such fees are non-refundable except as otherwise expressly stated in this Agreement. Customer acknowledges that Sage may increase its license and other fees (i.e., in subsequent Order Forms) and therefore fees due for new or additional purchases, subscription renewals, or Service Plan renewals may be more than a previous purchase.

4.2. Automatic Billing. By subscribing to the Software or electing to utilize a recurring payment plan, Customer authorizes Sage to automatically charge Customer's credit card or bank account on file on a monthly or annual basis, as set forth in any Order Form that Customer has signed, until Customer terminates this Agreement. Customer is responsible for providing Sage with its most current billing information.

4.3. Unpaid Uses. Use of the Software in excess of the number and type of licenses purchased constitutes a material breach of this Agreement. Customer shall pay to Sage or its authorized reseller the additional license or subscription fees due for the unpaid use calculated in accordance with the applicable Sage retail price list in effect at the time payment is made. Any failure to make the foregoing payment within 30 days of the invoice date is also a material breach of this Agreement.

4.4. Late Payment; Non-Payment. If Sage or its authorized reseller does not receive any fees owed by the specified due date, those fees shall accrue interest at the lower of 1.5% per month or the maximum rate permitted by law. Non-payment of any fees or of any other amounts due to Sage or an authorized reseller is a material breach of this Agreement.

5. Warranties

5.1. Software. Sage warrants that, during the 180-day period (the "Software Warranty Period") that commences on the date that Sage Enabled Use of the Software (whether for an initial license purchase or for Maintenance Software), the Software, when properly used, shall perform substantially in accordance with the Documentation. Sage warrants that, at all times, the Software shall be free of any harmful or malicious code. Sage does not otherwise warrant or represent that Customer's use of the Software will be uninterrupted or error-free. If Customer reports to Sage in writing within the Software Warranty Period any nonconformity between the Documentation and the Software (a "Warranty Claim"), and if Sage is able to replicate and verify that such nonconformity exists, Sage shall attempt to correct such nonconformity and supply Customer with such correction at no additional cost. If such efforts are unsuccessful and the nonconformity is material, Customer's sole remedy for a breach of the warranty described in this section 5.1 shall be as follows: Customer may terminate this Agreement, discontinue use of, and return or destroy all copies of the Software, and Sage will ensure that Customer receives a refund of the fees paid for the Software or the Maintenance Software (as applicable) during the applicable Software Warranty Period.

5.2. Customer Support. If Customer is entitled to receive Customer Support as part of a separately purchased Service Plan, Sage warrants that while Customer's Service Plan is in effect and if it has paid all required Service Plan fees, Sage will use qualified personnel to provide Customer Support in a professional manner consistent with industry standards. Customer's sole remedy under this section 5.2 is limited to Sage's re-performance of the Customer Support services giving rise to Customer's claim.

5.3. Other Limitations.

5.3.1. Third-Party Implementations. Unless Sage has agreed in writing to provide software implementation services to implement the Program at Customer's place of business, Customer is responsible for engaging a qualified party to provide implementation services. Customer is responsible for independently investigating the skills and qualifications of such party. Sage shall have no liability whatsoever for any failure associated with such implementation services, even if the

party Customer engages is an “authorized” or “certified” reseller, consultant, or installer of Sage products.

5.3.2. Modifications. Sage shall not have any liability under these limited warranties for any Software that has been modified, lost, stolen, or damaged by accident, abuse, or misapplication.

5.3.3. No Other Warranties. No employee, agent, or representative of Sage, nor any reseller or any other third party, is authorized to make any warranty with respect to the Software, and Customer may not rely on any such purported warranty.

5.4. DISCLAIMER OF ALL OTHER WARRANTIES. EXCEPT AS EXPRESSLY PROVIDED IN THIS AGREEMENT, THE SOFTWARE IS PROVIDED ON AN “AS IS” BASIS AND IS ONLY FOR COMMERCIAL USE, SUBJECT TO ANY RESTRICTIONS IN THIS AGREEMENT OR THE DOCUMENTATION. SAGE, ON BEHALF OF ITSELF, ITS AFFILIATES, AND ITS LICENSORS, DISCLAIMS TO THE FULLEST EXTENT PERMITTED BY LAW ALL OTHER REPRESENTATIONS, WARRANTIES, AND GUARANTEES, WHETHER EXPRESS, IMPLIED, STATUTORY, OR OTHERWISE, INCLUDING THOSE (I) OF MERCHANTABILITY OR SATISFACTORY QUALITY, (II) OF FITNESS FOR A PARTICULAR PURPOSE, (III) OF NON-INFRINGEMENT AND (IV) ARISING FROM CUSTOM, TRADE USAGE, COURSE OF PRIOR DEALING OR COURSE OF PERFORMANCE. NEITHER SAGE, ITS AFFILIATES, NOR ITS LICENSORS WARRANT THAT CUSTOMER’S USE OF THE SOFTWARE WILL BE UNINTERRUPTED OR ERROR-FREE, OR THAT THE SOFTWARE, DOCUMENTATION, THE INFORMATION AND/OR AI-GENERATED OUTPUTS OBTAINED BY CUSTOMER THROUGH USING THE SOFTWARE WILL MEET CUSTOMER’S REQUIREMENTS OR PRODUCE PARTICULAR OUTCOMES OR RESULTS, OR THAT THE SOFTWARE WILL PRODUCE ERROR-FREE AI-GENERATED OUTPUTS, MACHINE-GENERATED ANALYSES, BENCHMARKS, INSIGHTS OR RESPONSES. SAGE IS NOT RESPONSIBLE FOR ANY PERFORMANCE ISSUES OR ERRORS WITH THE SOFTWARE THAT ARISE FROM CUSTOMER’S DATA OR ANY THIRD PARTY. CUSTOMER ACKNOWLEDGES THAT SAGE DOES NOT PROVIDE ANY ACCOUNTING, TAXATION, FINANCIAL, INVESTMENT, LEGAL, OR OTHER ADVICE TO CUSTOMERS, USERS, OR ANY THIRD PARTIES. CUSTOMER ACKNOWLEDGES THAT IT IS CUSTOMER’S RESPONSIBILITY TO ENSURE THAT THE SOFTWARE AND/OR ANY AI-GENERATED OUTPUTS MEET CUSTOMER’S REQUIREMENTS AND ARE FIT FOR CUSTOMER’S PURPOSES.

5.5. Third-Party Services. Sage does not endorse or make any representation, warranty or promise regarding, and does not assume any responsibility for, any Third-Party Services, regardless of whether described as “authorized,” “certified,” “recommended” or the like and regardless of whether the Third-Party Service is included in Customer’s Order Form. For the avoidance of doubt, the foregoing includes any AI System employed, used by or forming part of a Third-Party Service provided by a Third-Party Provider. Customer’s use of Third-Party Services is subject to the terms and conditions imposed by the relevant Third-Party Provider in addition to this Agreement. If Customer obtains a Third-Party Service that requires or otherwise involves access to or transfer of Customer Data, any such access or transfer is between Customer and the Third-Party Provider pursuant to the Third-Party Provider’s own privacy notices and policies, and Sage is authorized to provide the Customer Data as requested by the Third-Party Provider. Sage is not responsible for any modification, loss, damage or deletion of Customer Data by any Third-Party Service obtained by Customer.

6. Term and Termination

6.1. Commencement. This Agreement takes effect on the date set forth on the initial Customer-signed Order Form and continues until terminated in accordance with this Agreement.

6.2. Customer’s Termination Rights.

6.2.1. Subscription Terminations. If Customer subscribes to the Software, then Customer may terminate this Agreement at any time by giving Sage 30 days’ prior written notice.

6.2.2. Other Terminations. If Customer does not subscribe to the Software, then Customer may terminate this Agreement at any time by giving Sage prior written notice.

6.3. Sage’s Termination Rights. If Customer breaches its obligations under this Agreement (including by not paying any fees when due), then this Agreement shall automatically terminate.

6.4. Effect of Termination. Any termination of this Agreement shall result in termination of the licenses granted hereunder. Further, terminating a subscription may result in the Software reverting to “read-only” mode and the loss of access to any features that require a Service Plan (i.e., Sage Business Care). If Customer terminates a subscription pursuant to section 6.2.1, then Customer shall receive a refund of any pre-paid but unused fees remaining in its then-current subscription period. Customer’s election to reduce the number of users it has purchased or to deactivate optional modules or features of the Software it has purchased is not a subscription termination under this section and does not entitle Customer to any refund. Customer shall not receive any refunds for exercising any termination right under section 6.2.2.

Notwithstanding anything to the contrary in this Agreement, Sage is not obligated to delete AI Data following the expiration or termination of this Agreement, and Sage’s rights to use AI Data shall survive termination.

6.5. Survival. Any provision in this Agreement that when reasonably read as intended to survive the termination of this Agreement shall survive, including without limitation, the disclaimer of warranties in section 5 and limitations of liability in section 8.

7. Indemnification

7.1. Covered Claims. Subject to sections 7.2 and 7.3, Sage shall defend Customer and its Affiliates in any third-party claim alleging that the Software (including any AI-Generated Outputs) infringes or misappropriates the Intellectual Property Rights of a third party and pay any resulting costs and damages finally awarded by a court with respect to any such third-party claim. If the Software infringes (or Sage

reasonably believes it may infringe) a third-party's Intellectual Property Rights, Sage may, at its own expense and option: (i) procure the right for Customer to continue use of the Software; (ii) replace or modify the Software so that it becomes non-infringing without material loss of functionality; or (iii) if (i) and (ii) are not feasible, terminate this Agreement.

If this Agreement is terminated pursuant to the foregoing clause (iii), then Sage shall refund or credit Customer fees as follows. If Customer has a perpetual license, the refunded or credited fees shall be a pro rata portion of the fees incurred for the purchase of Customer's initial license and all upgrades, which pro rata portion will be determined on the basis of the remaining period of a useful life of 5 years, where the five-year useful life begins on the date of Customer's initial license purchase. If Customer has purchased a subscription, the refunded or credited fees shall be the pre-paid but unused fees remaining in the then-current subscription period set forth in Customer's Order Form (starting from the date upon which this Agreement is terminated pursuant to the foregoing clause (iii) through the end of the then-current subscription period).

7.2. Exceptions. Sage's obligations under section 7.1 do not extend to any claim (i) arising from the combination of the Software with other elements not under Sage's sole control, or (ii) arising from any part of the Software that Customer, its Affiliates, or any other third party modifies, or that incorporates specifications, designs or formulas that Customer or its Affiliates provides.

7.3. Indemnification Procedure. In the event of a potential indemnity obligation under this section 7, Customer shall provide Sage with: (i) prompt written notice of the claim or a known threatened claim, such that Sage's ability to defend the claim is not prejudiced; and (ii) control of, and reasonable assistance in, the defense and settlement of the claim, at Sage's expense. Sage shall have the right to settle any such claim in Sage's sole discretion and at Sage's expense.

7.4. Exclusive Remedy. The indemnification obligations set forth in this section 7 are Sage's sole and exclusive liability and Customer's exclusive remedy for any third-party claim described in this section.

7.5. Indemnification by Customer (AI Systems). Customer shall defend Sage and its Affiliates, officers, directors, employees and agents (at Customer's expense) in any third-party claim relating to Customer's or its users' use or misuse of any AI system that is not provided by Sage as part of the Software (including any external or third-party AI system used in connection with the Software), including any data breaches, data exfiltration, user or business profiling, security incidents, system damage, or third-party claims arising from or in connection with such use or misuse, and Customer shall pay any settlement costs or final judgment awarded by a court with respect to such claim. The foregoing shall not apply to the extent that any such third-party claim alleges infringement or misappropriation of third-party Intellectual Property Rights solely attributable to: (a) instructional prompts, contextual injections, system-level inputs, or other technical content provided by or on behalf of Sage; or (b) Sage-provided customization or fine-tuning data.

8. Limitation of Liability.

8.1. No Consequential Damages. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, NEITHER PARTY SHALL HAVE ANY LIABILITY TO THE OTHER PARTY FOR ANY INDIRECT, SPECIAL, EXEMPLARY, INCIDENTAL, PUNITIVE, OR CONSEQUENTIAL DAMAGES.

8.2. Limit on Direct Damages. EXCEPT FOR (I) SAGE'S OBLIGATION WITH RESPECT TO AN INDEMNITY CLAIM, (II) CUSTOMER'S OBLIGATIONS TO PAY FEES UNDER THIS AGREEMENT, OR (III) EITHER PARTY'S LIABILITY RESULTING FROM FRAUD, GROSS NEGLIGENCE, OR WILLFUL MISCONDUCT, NEITHER PARTY'S AGGREGATE LIABILITY SHALL EXCEED (A) THE FEES PAID BY CUSTOMER TO SAGE IN THE 12-MONTH PERIOD IMMEDIATELY PRECEDING THE EVENT GIVING RISE TO THE CLAIM OR (B) THE FEES PAID TO SAGE WITH RESPECT TO CUSTOMER'S INITIAL ORDER FORM, WHICHEVER IS GREATER.

8.3. Scope. The exclusions and limitations above apply to all causes of action, whether arising from breach of contract, tort, breach of statutory duty or otherwise, even if such loss was reasonably foreseeable or if one party had advised the other of the possibility of such loss. The parties agree that the allocation of risk in this Agreement is reflected in the level of fees payable under this Agreement. A party may not circumvent the limitations of liability herein or receive multiple recoveries under this Agreement by bringing separate claims on behalf of its Affiliates.

9. Governing Law & Dispute Resolution

9.1. Law. The validity, construction, and application of the Agreement will be governed by the internal laws of (i) the State of Georgia (if you are contracting with Sage Software, Inc.) or (ii) the Province of Ontario (if you are contracting with Sage Software Canada Ltd.), in each case excluding its conflict of laws provisions.

9.2. Arbitration. The parties agree to resolve all disputes related to this Agreement by binding individual arbitration before one arbitrator and will not bring or participate in any representative action. The arbitration shall be administered by JAMS pursuant to its Comprehensive Arbitration Rules and Procedures and in accordance with the Expedited Procedures in those Rules, and shall take place in (i) Atlanta, Georgia (if you are contracting with Sage Software, Inc.) or (ii) Toronto, Ontario (if you are contracting with Sage Software Canada Ltd.). Any challenge to arbitrability shall be decided by the arbitrator. Judgment on the arbitration award may be entered in any court having jurisdiction. In the event a party seeks injunctive relief from a court, the parties consent to the exclusive jurisdiction and venue of the courts located in (i) Atlanta, Georgia (if you are contracting with Sage Software, Inc.) and (ii) Toronto, Ontario (if you are contracting with Sage Software Canada Ltd.). This section 9.2 shall not apply to Sage's enforcement of Customer's payment obligations or to Sage's enforcement or protection of any of its Intellectual Property Rights.

9.3. Language. The parties have expressly requested and required that this Agreement and all other related documents be drawn up

in the English language. **Les Parties conviennent et exigent expressément que ce Contrat et tous les documents qui s'y rapportent soient rédigés en anglais.**

10. Compliance

10.1. **Sanctions and Restricted Territories.** At all times during the term of this Agreement and Customer's use of the Software, Customer hereby confirms that: (i) it shall conduct its business in compliance with all sanctions laws, regulations and regimes imposed by relevant authorities, including but not limited to the Office of Foreign Assets Control (OFAC), the United Nations, the United Kingdom and the European Union; (ii) neither it nor any of its Affiliates is named on any "denied persons list" (or equivalent targeted sanctions list) in violation of any such sanctions restrictions, laws, regulations or regimes, nor is Customer or any of its Affiliates owned or controlled by a politically exposed person; and (iii) Customer has and shall maintain appropriate procedures and controls in place to ensure and be able to demonstrate its compliance with this section 10.1. Customer may not permit its users to access or use the Software in violation of any U.S. export or sanctions law or regulation or in any Restricted Territories (as defined below). Such access and/or use is not permitted by Sage and shall constitute a material breach of this Agreement, and where Sage is aware of or suspects Customer (or any of its users) to be accessing, Using, permitting or otherwise facilitating such access and/or use in any Restricted Territory in breach of such laws or regulations, Sage may immediately suspend Customer's use of the Software to the extent that Sage considers necessary without prior notice, and Sage shall promptly notify Customer of such suspension and investigate any potential breach. Customer shall promptly notify Sage if it has violated, or if a third party alleges that it has violated, this section 10.1. If Sage has grounds to suspect that Customer is accessing and/or Using the Software in violation of this section 10.1, Customer shall provide Sage with full cooperation and assistance in respect of such access and/or use of the Software and in respect of Customer's compliance with this section 10.1. Customer shall indemnify Sage and its Affiliates against any claims, costs, damages, losses, liabilities and expenses (including attorneys' fees and costs) as a result of Customer's (or its users') breach of this section 10.1. As used in this section 10.1, "**Restricted Territories**" means any country or territory that is subject to government-wide or comprehensive sanctions by the United States, the United Kingdom, or the European Union.

10.2. **Software Audits.** Upon reasonable prior written notice to Customer and subject to Customer's reasonable and documented information security policies and procedures, Sage may audit Customer's use of the Software to ensure that Customer complies with section 3 (Restrictions). If an audit reveals that Customer has underpaid fees or owes fees to Sage, Sage will invoice Customer for the underpayment or amount due pursuant to section 4.3 (Unpaid Uses).

11. Privacy

11.1. **Processing of Usage Data.** Sage may collect and use data resulting from Customer's installation and use of the Software for Sage's legitimate business purposes ("**Usage Data**"). Usage Data includes information about Customer's hardware, when Customer installs the Program, and how Customer uses the Software (i.e., which functionality is selected, which in-product help and services that Customer utilizes, etc.). Usage Data does not include any data that Customer inputs into the Software. Further, Customer acknowledges that Sage may collect, use, and disclose Usage Data as described in the Sage Privacy Notice posted at <https://www.sage.com/en-us/legal/privacy-and-cookies/> (if you are contracting with Sage Software, Inc.) or <https://www.sage.com/en-ca/legal/privacy-and-cookies/> (if you are contracting with Sage Software Canada Ltd.), or such other URL as Sage may notify Customer of, and as may be described in the user interface associated with the Software's applicable features.

11.2. **Processing of EU Data.** If the European Union's General Data Protection Regulation 2016/679 applies to Sage's processing or controlling of personal data, then the Data Processing Addendum posted at <https://www.sage.com/en-us/legal/terms-and-conditions/product-and-service-terms-and-conditions/data-processing-agreement/> or such other URL as Sage may notify Customer of, shall apply. Sage may amend such Data Processing Addendum from time to time and in its discretion.

11.3. **Customer Data.** As between Sage and Customer, and subject to the limited rights expressly granted under this Agreement, Customer owns all rights, title and interest, including all Intellectual Property Rights, in and to the Customer Data.

11.4. **AI-Generated Output.** Sage does not claim ownership rights in any AI-Generated Output. Customer is solely responsible for all use, modification, combination with other materials and publication of any AI-Generated Output.

11.5. **License.** If Customer connects to the Software via an API, MCP or similar connection, Customer grants Sage, its Affiliates and its subcontractors a royalty-free, non-exclusive and sublicensable right to use, host, process, copy, store, analyze, display, transform, reformat, combine and create derivative works from the Customer Data and AI-Generated Outputs solely to the extent necessary to: (i) develop, create, improve, enhance and make available Sage's and its Affiliates' services, products and applications; (ii) provide, administer and ensure the proper operation of the Software and related systems; (iii) comply with applicable laws; and (iv) exercise Sage's rights and perform its obligations under this Agreement.

12. Miscellaneous

12.1. **Independent Contractors.** The parties are independent contractors and will so represent themselves in all regards. Neither party is the agent of the other, and neither may make commitments on the other's behalf.

12.2. **Notices.** Notices required to be sent under this Agreement shall be sent (i) to Customer at the address set forth in its most recent Order Form, (ii) to Sage at Sage Software, 619 Ponce de Leon Ave NE #400, Atlanta, GA 30308, Attn: Legal Department, or (iii) to such other addresses as either party may provide in writing pursuant to this section. Such notices will be deemed received at such addresses upon the earlier of (a) actual receipt or (b) delivery in person or by certified mail return receipt requested.

12.3. **Excused Performance; Force Majeure.** No delay, failure, or default, other than a failure to pay fees when due, will constitute

a breach of this Agreement to the extent caused by hurricanes, earthquakes, epidemics, other acts of God or of nature, strikes or other labor disputes, riots or other acts of civil disorder, acts of war, terrorism, acts of governments such as expropriation, condemnation, embargo, changes in laws, and shelter-in-place or similar orders, or other causes beyond the performing party's reasonable control.

12.4. Assignment. Sage may assign this Agreement to an Affiliate upon written notice to Customer. Customer may not assign this Agreement without Sage's prior written consent.
