

Sage Budgeting and Planning Supplemental Product or Service Terms

Heading	Supplemental Terms
Use Restrictions	<p>You may use the Software, with some limitations and without registration, in demonstration mode for up to one ninety (90)-day period following installation. If the Software is not registered within this time, You must uninstall and remove the Software. You agree that any user consents to the terms of the License. For each license to use the Software on a “named” basis that You purchased, Sage grants You the right to designate a single named user, which may change from time to time. That user is granted, a personal, nonexclusive license to use one copy of the Software on a single installation of the product. You may install the client Software on multiple machines provided that the Software is used only by named user.</p>
