

Sage BusinessWorks Accounting Supplemental Product or Service Terms

Supplemental Product or Service	Supplemental Terms
Pervasive	The database in the Program is provided by Pervasive Software, Inc. ("Pervasive"). As part of its effort to ensure activation of valid software licenses, Pervasive will collect software and system information, including, but not limited to, information about your hardware, network, and operating system to uniquely associate the computer with your Pervasive licenses. Data is also collected during uninstalls, product updates, and any license management. No personal identity information is collected.
Sage Alerts and Workflow (KnowledgeSync/ECl)	Download the terms here .
