

**Sage Timeslips Anywhere**

# Track time. Bill better. Anywhere.

All-in-one cloud solution with a sleek interface for time, expense, and billing!

## **Flexible time tracking and billing for Professional Services**

Whether you bill by the hour, project, or client, Sage Timeslips Anywhere adapts to how your team works. No more chasing timesheets, throwing together reports, or manually editing invoices. Track time effortlessly, bill accurately, and spend less time on admin—so you can focus more on your clients.

## **Did you know?**

A lot of firms spend countless hours correcting time and billing data. With Sage Timeslips Anywhere, you can modernize your workflow, be cloud accessible, and reclaim valuable time—anytime, anywhere.

**Sage**

# Why Sage Timeslips Anywhere for your company?

## ✓ **Flexibility and control**

Make quick edits to bills or reports anytime you need. Our time and billing software ensures that you won't have to wait on us—or pay us—to do it for you.

## ✓ **Built your way**

Customize invoices with flexible billing arrangements, client preferences, and have the ability to undo multiple bills. Design bills yourself—no delays, no service fees.

## ✓ **Get insights you won't find anywhere else**

Access over 120 prebuilt reports and use our powerful report writer to create exactly what you need. No other provider offers this level of reporting flexibility and control.

## ✓ **Track and bill from anywhere**

Utilize a timer, enter expenses, and manage billing in real time in the office or on the go with our time and billing software; also use multiple entry methods and assign rates automatically.

## **Who is a great fit for Sage Timeslips Anywhere**

- Consulting agencies
- Creative firms
