### Other System Requirements

Up-to-date network drivers, service packs and updates for your network and operating systems.

Windows personal computers/notebooks need to ensure that the recommended RAM memory requirements and Video Graphics adapter are met.

The above serves as a guideline. Hardware requirements may differ depending on the operating system and the version of SQL Server. For Microsoft™ SQL Server 2017 / 2019, please note that there may be additional software requirements to adhere to. Please refer to the SQL Server specifications documentation, available from the Microsoft website, for more information.

Sage Intelligence Reporting and Microsoft Office: We do not support Microsoft Office Home and Student (2010 and 2013) or Microsoft Office 365 Online. Microsoft Office Home and Student is not licensed for business or commercial use.
