11. UPGRADE SYSTEM OVERLAP

11.1 Where an End-User has purchased an upgrade from one licensed product to another then, save for a permitted period of dual processing, the End-User's licence for the product being replaced shall terminate on the first Use of the upgrade. The maximum period allowed for such dual processing is three (3) months from the date in the month in which the upgrade was purchased.

11.2 At the end of the dual processing period, the End-User must confirm to the Supplier in writing that they have read only access to the product purchased or licensed subsequent to the upgrade from one licensed product to the other. Failure to do so on request from the Supplier, will result in a fee payable by the End-User for the Use of the non-current Licensed Materials for a period of at least six (6) months.

11.3 The Supplier reserves the right to require the End-User to remove unlicensed versions of the Licensed Materials from the computer hardware of the End-User, at any time after the end of the dual processing period.

12. FEES AND PAYMENTS

12.1 The End-User shall pay the Supplier or the Reseller (in the event the Software has been purchased through a Reseller) the Initial Licence Fee within (thirty) 30 days of the Effective date of this Agreement upon receipt of the applicable invoice, or any other payment period agreed to in writing by Sage, including EFT on delivery, monthly or quarterly in advance.

12.2 Discounts. We may at our sole discretion provide you with a discount to the Software Licence. In the event you reduce volume or licences to items that you are already licensed for during a then-current licensed term then we may reduce or remove the level of discount we have provided to you from the date of your next renewal Order.

12.3 Add-Ons. If applicable, during a then-current licensed term:

12.3.1 additional volume, modules or licences to items that you are already licensed for are added, such increased licences will be charged at the price of the underlying preexisting licence; and

12.3.2 you add new licences to items that you are not already licensed for, such items will be charged at the then-current list price. As determined by Sage and set out in the applicable Order or invoice, the fees for such add-ons will be prorated either: (a) at the time of purchase, in which case the prorated amount for the remainder of the then-current licensed term will be invoiced on purchase and the full Annual Licence Fee for such add-ons will be payable at the start of the next Renewal Term; or (b) where not prorated at the time of purchase, at the start of the next Renewal Term, in which case the prorated amount for the remainder of the previous licensed term will be invoiced together with the full Annual Licence Fee for such add-ons for that Renewal Term.

12.4 No right to Use the Licensed Materials shall be granted until the Supplier or Reseller (in the event the Software has been purchased through a Reseller) has received full payment of the Initial Licence Fee or the Annual Licence Fee due regardless of implementation status.

12.5 The Annual Licence Fee (as stated in the applicable Order), is payable by the End-User for access to the Software and the Software Maintenance Services in clause 16 for a period of 1 (one) year from the date of the relevant invoice for such Annual Licence Fee ("Maintenance Period").

12.6 The Annual Licence Fee is due and payable on each Renewal Term to ensure continued access to and Use of the Software and Software Maintenance Services in clause 16.

©2026 THE SAGE GROUP PLC OR ITS LICENSORS. SAGE, SAGE LOGOS, SAGE PRODUCT AND SERVICE NAMES MENTIONED HEREIN ARE THE TRADEMARKS OF THE SAGE GROUP PLC OR ITS LICENSORS. ALL OTHER TRADEMARKS ARE THE PROPERTY OF THEIR RESPECTIVE OWNERS.

12.7 Payment of the Annual Licence Fee stipulated in the applicable Order will result in the automatic renewal of the Agreement for a further period of 12 months (or for a term as stipulated in the applicable Order) subject to clause 2.5.

12.8 Fees are subject to an annual revision by Sage and Sage shall be entitled to increase the Annual Licence Fee at the start of each Renewal Term upon giving you reasonable prior written notice.

12.9 In the event of non-payment of the Initial Licence Fee and/or Annual Licence Fee the Supplier will:

12.9.1 Have the right to terminate this Agreement with immediate effect;

12.9.2 Suspend End-User or User access to the Software and Software and Maintenance Services;

12.9.3 Terminate access to the Software and Software and Maintenance Services set out in clause 16; and/or

12.9.4 Withhold the licence renewal code.

12.10 Should the End-User wish to re-instate access to the Software and the Software Maintenance Services, a re-instatement fee will apply and will be calculated at the time of re-statement.

12.11 Unauthorised Use. If we identify any additional volume, modules, increased licences or new licences and such items are not licensed in accordance with this Agreement, then we will notify you and invoice you for such items at our then-current list prices. Such fees shall be due by the date specified in the applicable Order or invoice and shall be backdated to the earlier of: (i) the commencement date of your most recent renewal Order; and (ii) the date on which such unlicensed use first occurred.

12.12 Any maintenance and support fees for third party software procured through Sage or Reseller will be collected by, and payable directly to, Sage or Reseller.

12.13 Payment of Fees to Sage by either you or your Reseller is not dependent on implementation services and /or successful implementation.

13. WARRANTY

13.1 The Supplier warrants that it has the right to grant the licences to Use the Software as set out in this Agreement.

13.2 The Supplier warrants that for a period of ninety (90) days from the date of supply, when properly used, the Software will perform generally in accordance for such Software, except that some deviation therefrom may occur due to a policy of continual upgrade of the Software.

13.3 SAGE:

13.3.1 DOES NOT WARRANT THAT YOUR USE OF THE SOFTWARE WILL BE UNINTERRUPTED OR ERROR-FREE, OR THAT THE SOFTWARE AND/OR THE INFORMATION OBTAINED BY YOU WILL MEET YOUR REQUIREMENTS OR PRODUCE PARTICULAR OUTCOMES OR RESULTS (IRRESPECTIVE OF WHETHER YOU INFORMED SAGE OR A RESELLER ABOUT YOUR INTENDED USE AT THE POINT OF PURCHASE); AND

ACCOUNT THAT OCCURS AS A RESULT OF YOUR NEGLIGENCE OR UNAUTHORISED ACCESS TO YOUR ACCOUNT BY YOUR USER/S OR A THIRD PARTY/S IN RELATION TO THE SOFTWARE AND/OR USE THEREOF. YOU AGREE TO APPLY ALL REASONABLE SECURITY CONTROLS AND MEASURES WHEN USING THE SOFTWARE.

13.3.4 DOES NOT WARRANT THAT THE INFORMATION AND/OR AI-GENERATED OUTPUTS OBTAINED BY THE END-USER THROUGH THE SOFTWARE WILL MEET THE END-USER'S REQUIREMENTS OR PRODUCE PARTICULAR OUTCOMES OR RESULTS, OR THAT THE SOFTWARE WILL PRODUCE ERROR-FREE AI-GENERATED OUTPUTS, MACHINE-GENERATED ANALYSIS, BENCHMARKS, INSIGHTS OR RESPONSES. THE END-USER ACKNOWLEDGES THAT IT IS THE END-USER'S RESPONSIBILITY TO ENSURE THAT THE SOFTWARE AND/OR AI-GENERATED OUTPUTS MEET THE END-USER'S REQUIREMENTS AND ARE FIT FOR THE END-USER'S PURPOSES.

13.4 The End-User acknowledges that the Software consists of standard modules which have not been prepared to meet the End-User's particular requirements and it is therefore the End-User's responsibility to ensure that the Software meets its requirements.

13.5 If you notify Sage in writing, and within 30 (thirty) days, that the Software does not conform with any of the warranties in clause 13 Sage will use reasonable commercial efforts to correct any such non-conformance promptly or provide you with an alternative means of accomplishing the desired performance. Subject to your right to terminate the Agreement in accordance with the provisions of this Agreement, such correction or substitution constitutes your sole and exclusive remedy for any breach of the warranties set out in clause 13.

13.6 THE EXPRESS TERMS OF CLAUSES 13.1 AND 13.2 ARE IN LIEU OF ALL WARRANTIES, CONDITIONS, TERMS, GUARANTEES AND REPRESENTATIONS (OTHER THAN FRAUDULENT MISREPRESENTATIONS) IMPLIED BY STATUTE, COMMON LAW OR OTHERWISE, INCLUDING WITHOUT LIMITATION ANY EXPRESS OR IMPLIED WARRANTIES OF SATISFACTORY QUALITY OR FITNESS FOR A PARTICULAR PURPOSE WHICH ARE HEREBY EXCLUDED TO THE FULLEST EXTENT PERMITTED BY LAW.

14. LIABILITY

14.1 The Software is not fault tolerant and is not designed or intended for use in hazardous environments or in relation to high-risk activities requiring fail-safe performance, where the failure of the Software could lead directly to death, personal injury or severe physical or property damage. Sage expressly excludes any liability relating to the use of the Software for such purposes.

14.2 The Supplier shall indemnify the End-User in respect of personal injury or death to any person, or loss of or damage to any tangible property, caused directly by the negligent acts or omissions of the Supplier, its servants, agents or sub-contractors. Save in respect of personal injury or death caused by negligence (to which no limit shall apply), the Supplier's liability for loss of or damage to tangible property in respect of any one event or series of connected events, whether under this clause or otherwise, shall not exceed:

or is disallowed for any reason), except for those events governed by clause 14.2, the maximum aggregate liability of either party whether arising from negligence, breach of contract, misrepresentation (excluding fraudulent misrepresentation) or otherwise shall not in any circumstances exceed: (a) where the event giving rise to the claim occurs during the Initial Term, the Initial Licence Fee actually paid by the End-User; or (b) where the event giving rise to the claim occurs during a Renewal Term, the Annual Licence Fee actually paid by the End-User for that Renewal Term.

14.4 Clauses 14.3 and 14.5 shall not limit or exclude the End-User's obligation to pay any fees due under this Agreement, or the End-User's liability under clauses 14.7, 20.2 and 21.3 or for any breach of clauses 3, 7 or 9.

14.5 Notwithstanding any other provision of this Agreement in no event shall either party be liable to the other for:

14.6 The foregoing obligations as to liability shall survive any termination under this Agreement, howsoever caused.

14.7 AI System Indemnity. The End-User shall indemnify, and keep indemnified, Sage and its Affiliates, officers, directors and employees against any and all claims, costs, damages, losses, liabilities and expenses (including reasonable legal fees) to the extent arising out of or in connection with the End-User's or its Users' use or misuse of any AI System that is not provided by Sage as part of the Software (including any external or third-party AI System used in connection with the Software), including any data breaches, data exfiltration, user or business profiling, security incidents, system damage, or third-party claims arising from or in connection with such use or misuse; provided that this indemnity shall not apply to the extent that the relevant claim is solely attributable to instructional prompts, contextual injections, system-level inputs, or other technical content provided by or on behalf of Sage, or Sage-provided customisation or fine-tuning data.

15. RELEASE OF SOFTWARE

15.1 The End-User acknowledges and accepts that the Licensed Materials may require a Licence File for their proper Use and any necessary Licence File will not be released until the Supplier has received a signed Order. Receipt by the Supplier of incomplete Order/s shall mean that the Order will not be processed.

15.2 When an End-User changes its trading name this may require a change in the Licence File, and such a change must be communicated, in writing, by the End-User to the Supplier, and accompanied by a copy of the Certificate of Incorporation on Change of Name.
