

All materials available through this website and other websites owned or provided by Sage or any of its affiliated entities (collectively “Sage”), including any products, services, and web content including but not limited to software, images, text, and various downloads (“Materials”) are owned by Sage and/or by Sage vendors, who have given permission to use the Materials.

Materials are protected by copyright, trademark, and other intellectual property rights and all rights in the Materials are reserved by Sage or their respective owners. You may view, copy, and print pages from the website for personal use only. You may not otherwise use, reproduce, download, modify, store, post, broadcast, transmit, sell, or make available to any party any part of the content from the website without the prior written approval of Sage.

## Copyright notice

© 2017 The Sage Group plc or its licensors. All rights reserved. Sage, Sage logos, and Sage product and service names mentioned herein are the trademarks of The Sage Group plc or its licensors. All other trademarks are the property of their respective owners.

## Trademark notice

Sage owns many valuable trademarks worldwide that represent Sage as well as its products and services. Most Sage trademarks are registered in the U.S. and in other countries, typically in the name of Sage. Sage does not use the trademark legends.

All references to Sage and Sage products and services must be accurate and never misleading in any way. Sage trademarks may only be used to refer to Sage and Sage products and services, and may not be combined with any other company names, product names, services names, or as part of any domain names. Sage logos are reserved for exclusive use by Sage, its licensees, and partners under written contract with Sage. No other uses of the Sage logos are permitted.

The following products, services, and taglines listed herein as well as related logos are registered trademarks or trademarks of Sage and/or its affiliates in the US and/or other countries. This list is provided here for reference only and may not be complete or current and will change from time to time.
