

## SILVER SPONSORS

**ACS Group, Inc.** | [www.acsg.com](http://www.acsg.com)

ACS Group is a Sage Gold Development Partner providing complete, vertical solutions for Sage 100 ERP. Our Sage Certified Multi-Bin Warehouse Management System and Manufacturing Automation Suite integrate with all major RF scanning solutions. We also offer comprehensive modules for Property Management and Apparel Management.

**Avalara** | [Avalara.com](http://Avalara.com)

Sage Sales Tax by Avalara helps businesses achieve compliance with sales tax, VAT, excise tax, and other transactional tax requirements. As the ONLY endorsed sales tax solution for Sage ERP, Sage Sales Tax is designed to effectively manage complicated and burdensome tax compliance obligations in the U.S. and internationally.

**Blytheco** | [www.blytheco.com](http://www.blytheco.com)

What's missing in your business? Are you too close to see? With 35 years of experience working with thousands of diverse businesses, Blytheco helps Sage customers find more efficiency, lower costs, and drive a better bottom line by getting the most benefit from their ERP, CRM, or HRMS investment.

**Construction SA** | [www.constructionsa.com](http://www.constructionsa.com)

The Construction Software Alliance (CSA) is a coalition of the best third-party solutions for Sage Construction and Real Estate products. Event1, hh2 Cloud Solutions, Timberscan, and On Screen Takeoff are just a few of the must-have solutions in the CSA.

**HighJump** | [www.highjump.com](http://www.highjump.com)

HighJump Software, a global provider of supply chain management software, streamlines the flow of inventory and information from supplier to store shelf. More than 12,000 companies trust HighJump as the technology backbone of their global supply chains. Our solutions feature user-friendly interfaces and simplified technical administration. For more information: [www.highjump.com](http://www.highjump.com).

**Information Integration Group, Inc.** | [www.iigservices.com](http://www.iigservices.com)

**Net@Work** | [www.netatwork.com](http://www.netatwork.com)

A top Sage partner, Net@Work is certified in the full portfolio of Sage ERP, CRM, and HRMS applications. Net@Work offers an extended solutions portfolio including Microsoft SharePoint and Document Management, Magento eCommerce, and Cloud/Managed Services. Its ConnectPoint line of Sage integrated solutions Partner Alliance Program will be on display.

**Paramount Technologies** | [www.paramounttechnologies.com](http://www.paramounttechnologies.com)

Paramount Technologies is a leading global provider of web and mobile spend management and workflow automation solutions for midmarket and enterprise organizations. Our WorkPlace solutions automate requisition, procurement, inventory management, time, and expense transactions to make workflow processes more efficient, improve employee productivity, reduce time and errors, and save money.

**SWK Technologies** | [www.swktech.com](http://www.swktech.com)

SWK Technologies, a Sage Gold Development Partner, provides the Sage/Accellos link and MAPADOC EDI for Sage ERP. This year we introduce Time and Billing Exact TBX, time billing software integrated with Sage 100 ERP. In addition, our ERP Alliance program expands partner portfolios with Sage ERP X3.

**Vertex SMB** | [www.vertexSMB.com](http://www.vertexSMB.com)

Vertex SMB offers a cloud-based sales and use tax solution with a pay-as-you-go pricing model and no up-front costs. The solution provides tax calculations and returns in one, resulting in signature-ready PDF returns. There are direct integrations available for Sage products along with other mid-market ERP and e-commerce platforms.
