## INTEREST AND APPLICATION

Our Talent Acquisition Partners carefully review each and every application and should you meet the qualifications of the role, you will be contacted for a telephone interview. If you aren't a fit for a role, don't be discouraged as we have new vacancies opening all the time. We are always searching for new talent to join our Sage family.

*"The recruiter contacted me via LinkedIn and I booked the slot for the interview, it was really easy. We had a really interesting call and I got a good understanding of Sage, the culture and the expectations of the role."*

For some of our positions, we may require assessments at this stage. Your Talent Acquisition Partner will explain the process to you so you are prepared.

After speaking with one of our Talent Acquisition Partners, if you have mutually agreed to progress to the next stage, we will schedule an interview with you and our hiring manager. These interviews may take place on the phone, in person or over video interview. This is your time to shine! Remember to do your research about Sage and have your questions ready!

*"My interview helped me to get a thorough understanding of the role and I got on really well with the interview team. The experience was really positive and I could tell that Sage was a place I wanted to work."*

## SELECTION AND HIRE

We'll call you with an offer!

*"I couldn't believe it when Sage called and made me an offer. I know I found the right fit for me."*

You will get all the steps/guidance to begin Onboarding.

*"I reviewed the offer and was very happy to accept the offer! I will be starting my new career at Sage very soon. Can't wait!"*
