

# sage Foundation

## Are you ready to work together to do more good?

At Sage Summit Tour Canada, you are invited to take action with Sage Foundation. Give, learn and experience why doing business the right way, is the only way for Sage.

At Sage Summit Chicago 2016, we set a \$1 million fundraising target so that we could all work together to do more good for our communities and raise money for local charities.

**We're just getting started and we need your help.**

### Join Sage Foundation's \$1 Million Challenge!

We invest our time, money, expertise and technology in local charity partners that are helping people reach their true potential. We're focused on helping: Young People, Women and Military Veterans.

Meet three partners bringing their ideas and inspiration to your communities.

All funds raised or donated through Sage Foundation's \$1 Million Challenge at Sage Summit Tour Canada, will directly help them to do more good.

**Horizons for Youth** provides shelter, food, and supportive services to homeless youth aged 16-24 in Toronto, most of whom have experienced trauma. They aim to help their residents leave the streets behind. [@Horizons4Youth](#)

**True Patriot Love** is a national charity providing essential support to Canadian military families. They have funded more than 100 innovative local programs that address the unique challenges resulting from service including mental and physical health, Veterans' transition, and the special needs of children. [@tplfoundation](#)

**Interval House** is Canada's first shelter for women and children fleeing Intimate Partner Violence. They offer an emergency shelter, alongside counselling and programs to help process trauma and rebuild lives free from violence. [@Interval\\_House](#)

## Give back with The Big Give

We want you to tell us how we should award \$10,000 to our three partners.

Everyone at Sage Summit Tour Canada will be handed a Big Give coin. All you have to do is visit Sage Foundation's booth, where you can learn more about their work, and cast your vote on how we share the money.

We'll count the votes each day and on the last day of Sage Summit Tour Canada, we will announce how you've voted. No one misses out, everyone will benefit!

All our charity partners will receive a Sage product donation. 1st place will be awarded \$5k, 2nd place \$3k and 3rd place \$2k.

## Sage Serving Heroes: Celebrate the Invictus Games Toronto 2017!

From September 23-30, 2017, Toronto will host the third - and largest - Invictus Games!

Sage is extremely honored to once again partner with the Invictus Games after our first Games in Orlando last year.

Our colleagues, customers and partners will be giving their time to celebrate the unconquerable spirit of competitors and the heroic friends and family who stand with them.

### You can countdown to Invictus at Sage Summit Canada!

- Join Stephen Kelly on stage with Team Canada competitors – for a special panel debate on what more we can all do more to support Veteran's journey from service to workplace.
- On both Customer days, Invictus will be at Sage Foundation's booth on the show floor – come and meet the team and learn more about your Invictus Games Toronto!

## Sage Foundation's Partner and Customer Program

When you visit Sage Foundation's booth you will be able to pre-register your interest in Sage Foundation's 2018 Partner and Customer Program.
